Social Welfare Delegation
Excmo. Ayuntamiento de Fuente-Tójar (Córdoba)

"NEW MUNICIPAL PROGRAM OF LOAN OF TECHNICAL AIDS"

The care for people in situations of dependency and with disabilities and support for their families and caregivers, is one of the fundamental and priority axes of the social policies of the City Council of Fuente-Tójar.

We know that when a family member gets sick or has any type of physical problem, we find situations that are difficult to attend, sometimes because the equipment we need takes a long time to arrive, or on other occasions due to economic problems that prevent us from acquiring what we need, causing situations of social exclusion in access to essential care to guarantee the quality of life of these people and their families.

Thinking about all these problems, from the Social Welfare Area of the City Council we have been working to launch a "Municipal Technical Aid Loan Program", whose purpose is to provide help to relatives and caregivers of dependent people, thus avoiding situations of inequality in access to basic care of a socio-sanitary nature, Program that today is already a reality, and that you will be able to use whenever you need it.

This "Municipal Technical Aid Loan Program", which will be expanded according to the needs that arise, currently has the following equipment:

- ***Articulated beds.***
- ***Anti-bedsore mattresses.***
- ***Cranes of two sizes to facilitate the mobility of elderly or sick people.***
- ***Wheelchairs.***
- ***Shower and bath chairs***
- ***Waterproof mattresses (such as those found in hospitals)***
- ***Crutches***
- ***Walkers***
- ***Transfer belts to help lift people.***

As indicated in the Ordinance that regulates this Program, the loan of this equipment will always be made after a report from the Social Worker, and will have a maximum initial duration of six months that may be extended, in case the need continues, upon request of the beneficiary and always with a report from the Social Worker.

The full text of this Ordinance can be consulted in the Transparency Portal of the Electronic Office of the Municipal Website www.fuente-tojar.es and in the municipal application eBando.
